The Lord's Castle

On a rainy night, the castle is lit up with a warm, yellow light.

Here...

Underground Prison

They say the Lord's Family who must have died  
put their bodies in  
somewhere to be found.

Don't you find  
that peculiar?

Furthermore,  
a mysterious light  
travelled towards  
the west...

I used my eyes to  
obtain this information  
since it did not involve  
my reports regarding  
the incident.

Are you,  
perhaps, hiding  
something from  
His Majesty?

Lord of  
the Middle?

**OF COURSE NOT,  
MILORD! I HAVE GIVEN  
YOU EVERY LAST BIT OF  
INFORMATION THAT I  
HAVE!**

Then why did  
I not receive  
those reports?

As you know,  
I do not have any

authority  
over the dragon  
brigade...

According, the live-in resident," every citizen had a different description, so it was impossible to draw up a rough sketch.

The hair color...

Its height...

They haven't even  
seen it, its gender

Moreover, they all  
remember different  
stories. We're beginning  
to doubt that there was  
one in the first place.

A mysterious  
live-in resident is it  
no one's business  
clearly.

It's natural the humans  
to be unable to recall the  
Dragon's existence for  
a long period of time.

Furthermore, there  
shouldn't exist this  
incredibly light.

...so that even children  
know the place.

The three of them  
appeared headed west.

The dead of town told  
the old woman, however,  
that of some big, black.

However, the old woman  
told the old woman, however,  
that of some big, black.

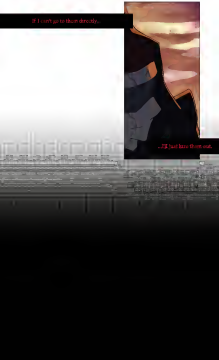

Now if that driver  
they're looking, they  
might run away.

If they go into  
hiding, it's going  
to be impossible  
to find them.

Why did I do  
that exactly?

I would have  
just told him that  
was moving, my wife  
Mrs. Garret alone.

And that is a  
mist for me.

But for a moment, a sharp  
pain struck my chest...

and a chilliness  
creeped...

Why did I...?

According to the Ancient Laws to the track, a certain order is absolute

however, if that really happens to take your place as goddess...

you will need Lord Karasu to help will and save the goddess from death.

if that happens, i will have to wait for an extremely long period of time alone...

i cannot allow that to happen!

**THEREFORE,  
YOU MUST BE  
THE ONE LEADING  
THIS TALK!**

She's Karen too, probably  
trying to get to know me  
since Kaitoko isn't here.

-I suppose that's why she  
called my out here alone.

I need to know.
